In your production please include:

- Your Name
- Your likes and dislikes
- Any family information you want to provide
- Any other interesting facts.

PRE-PRODUCTION Create a storyboard that outlines the plan for your movie. Clearly explain what you will be discussing about yourself in each shot . (Remember only 60 sec. So hit the important stuff!) TURN STORYBOARD IN ON GOOGLE CLASSROOM.

PRODUCTION (If you need an editing app, Adobe Rush is a FREE app for iOS & Android)

Use your own device to record the shots you have outlined on your shot list. Make sure audio is clear. You may use music.

Re-shoot scenes as many times as necessary to get them right. *Think of interesting or creative shots to use.*

POST-PRODUCTION When finished, save to Google Drive and upload to Google Classroom.
